ILLEST DOES IT ALL

iLLEST is an international DJ, drummer, beatboxer and specializes in fusing world music from mixing Indian, Latin, Afro-beat, Reggae, Arabic to hip hop. He is no stranger to performing for large crowds like for NBC's America's Got Talent and the Chicago Bulls and at music festivals like Lollapalooza and North Coast. His corporate clients include Nike, Footlocker, Atlassian, Macy's & Chicago Tribune. His dynamic performance style has been featured on media outlets like FOX, NBC & 103.5 KISS FM Chicago. Seeing iLLEST engage with the crowd is a memorable experience from the live drumming, hot cues on the turntables with his quick finger work and hype energy. His talent is unlike any other.
